

**Terrorism of IDF and Israeli settlers during  
the period  
July 31, 2015 - October 10, 2015**

# Brief

- ▯ Israeli government attempts to turn the political Israeli-Palestinian conflict into religious conflict. There seems a political deadlock as international community power will be off the scene. Israeli extremist government, headed by Netanyahu continues to let up any commitments to reach a real political solution to end occupation; they attempt to impose new facts on the ground demographic, political, and religious-wise.
- ▯ The increasing pace in Israeli violations and assaults in West bank and Al-Aqsa mosque is planned scheme to make Palestinians slide into Israeli field which is violence; as to instigate tensions and chaos all over area. Thus, Israelis continue to escalate situations on the ground through intensified operation of invades, storms, military barriers, road closure. In sync, groups of settlers, under IDF protections, carry out several breakthroughs into Aqsa yards; besides, block roads, set fire to farms, smash cars, many attempts to set fire to houses in WB
- ▯ Those assaults of aforementioned period, resulted in (4208 assaults; martyrs estimated number is (12 martyrs), (1417 injuries), ( 962 arrests), (928 invades), settlers assaults (496) assaults, , (80 breakthroughs) into Aqsa mosque, (127) assaults against Palestinian citizens, (8 attempts of child kidnapping), (98 attacks on properties), ( 220 car smash), 15 cars set to fire.
- ▯ Israeli occupation forces have shot fire toward the demonstrators during the peaceful demonstrations in Gaza Strip in response of the attacks against west bank and Al-Aqsa mosque, the thing that caused the death of (11 persons) and injury of others.
